Vlado Jakopanetz
Principal

DOBRO DOŠLI AND WELCOME TO CROATIAN SCHOOL OF LANGUAGE AND CULTURE MELBOURNE!

The Croatian School of Language and Culture Melbourne is a Victorian Community Language School, incorporated in 2021 and run by the generosity and effort of the strong Melbourne Croatian community, supported by the Croatian Catholic Centre Clifton Hill.

The school committee and I would like to give a big thank you to the entire school community for supporting the school and providing our students with the opportunity to learn the Croatian language and culture in a fun and supportive learning environment.

Every person who has played a part last year contributed their time to help both our church community and all our student families flourish. This is important for all generations in our community, including those who started this community in Clifton Hill 60 years ago when Croatian wasn't even a recognised language in Australia. We've come a long way, so let's keep it going!

This year will be another year packed with fun, learning, and immersing students in the wonderful Croatian culture. Learning another language can be a lot of fun and research shows it has wonderful benefits for children at school and in life. It enhances English literacy skills, improves memory and brain function, bilingual people are more creative, perceptive and can concentrate for longer and helps develop critical thinking and problem solving. At our community language school, we think it's important and want to promote the social benefits and sense of own identity. Children thrive when they acknowledge their heritage and the school supports them in developing a sense of their own identity and belonging. We want our students from all backgrounds to feel connected to the Croatian community, make new lifelong friends and respect and appreciate their own culture and that of others.

We also want the parents and guardians to connect and develop their relationships with each other.

Welcome to Families

Welcome to all Parents, Families & Guardians

The Croatian School Community is a special community! It's a chance to meet new people, expand your network and connect with people of similar cultural background and interests. We have a wonderful mix of people that bring a variety of experiences and knowledge. We encourage you to make the effort to get to know each other. This experience is not only for your children, it's for you the parents and guardians too!

What is the first day of school like for Parents and Guardians?

The first day of school will be on Saturday 3 February 2024. Returning families will get a chance to meet the new families.

Parents and guardians should come along and meet other parents on the first day. It's a time to get to know the community and connect with each other for the year ahead.

Teachers will explain the school year and provide any guidance and answer any questions you may have. Enrolment forms and fees can be paid on this day.

Accredited by the Victorian Department of Education

The school is accredited under the Victorian Department of Education and Training's (VDET) Community Language School Funding Program for 2022–2024.
