

**NEWSLETTER No 6: 28 March 2024**

Dear parents, guardians and school community,

Term 1 is a wrap! Hard to believe it has gone by so quickly. Our fire drill on Saturday was a success and we passed with flying colours. Thank you students and teachers! Please enjoy your Easter school holidays, stay safe and we will see you back for Term 2 on **Saturday 20 April**.

You can find all our term dates on the website [here](#).

### Homework over the holidays

With almost 4 weeks until we meet again, we suggest that students continue with their revision and homework during the break.

Two suggestions on other things to do include:

1. [Watch Cricket & Antoinette \(Cvrčak i Mravica\)](#). The film won Best Screenplay at the 2023 Pula Film Festival.
2. Try some of the activities on [Wordwall](#). It's free and it's fun!

### Volunteers in Term 2

It was wonderful to see so many parents step in to help across the classrooms in Term 1. A special call out to Kreso, Darka, Angela and Kristina for their help.

We need the help to continue so if you are available to help in Term 2, reach out and let us know so we can add you to the roster. A current Working with Children Check (WWCC) and enthusiasm is the only prerequisite required!

### Join the School Association - a call for nominations

### School photos

Thank you to our wonderful parent Draga who yet again, helped us with our school photos this year. The students were all smiles and we had a fun (albeit slightly chaotic) photo shoot! We will provide updates on the purchase of class and school photos in Term 2. As we have done in previous years, we use this as one of our school fundraisers, with all proceeds contributing to the school operations through the year.

### The votes are in!

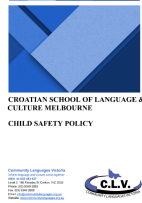

We appreciate everyone's participation in the recent merchandise vote. It was clear there were a few stand-out requests for school hoodies, trucker caps and coffee mugs at the top of the list for 2024. The school committee will work with our selected supplier process during Term 2 and we hope to provide you with updates for any orders soon.

## Housekeeping

As we move through Autumn, we recommend reviewing our new SunSmart UV tracker on the [School-Info page](#) to decide on whether sun-protection is recommended for the day. Have a read of our SunSmart Policy in the school charter [here](#).

## Child Safety Policy

Croatian School of Language and Culture Melbourne is committed to the Victorian Child Safe Standards & acknowledges that Child Safeguarding is everyone's responsibility. The school's Child Safety Policy and Code of Conduct is on our [website](#).

Check out some shots from the school photos day (thanks Draga!). Students look amazing and we are so proud of our growing school community!

Thanks!  
**Hvala!**
